

Working and Reference Groups – Status Summary

Not all of the work conducted by Working and Reference Groups resulted in a formal report. Below you will find a summary of outcomes.

-Keith Regehr, Transition Coordinator
July, 2017

Working Groups		
Name	Activity	Outcome
Camp Programme	Working group formed, and had preliminary discussion on creating national platform.	Group found insufficient interest in a national platform to carry on the discussion. Transition Coordinator wrote summary of this for the report to Assembly.
Canadian Witness Relationships	Working group was formed and met to address their task.	Report and Executive Summary completed and available.
Community of Spiritual Leadership	Working group was formed and met to address their task.	Report and Executive Summary completed and available.
Communication	Working group was formed and met to address their task. It responded to additional questions.	Report and Executive Summary completed and available.
Congregational Vitality/Common Life	Working group was formed and met to address their task.	Report and Executive Summary completed and available.
Identity as a Canada Wide Church	Working group was formed and met to address their task.	Report and Executive Summary completed and available.
International Witness/Relations	Working group was formed and met to address their task. It responded to additional questions.	Report and Executive Summary completed and available.
Programme and Support Services	Working Group was not formed. ESG has been acting as the working group on these issues.	No formal report, but the issues addressed form part of the full report to Assembly.
Reference Groups		
Name	Activity	Outcome
Financial	Reference group was formed and provided input on the early proposal.	No formal report requested.
Governance	Reference group was formed and provided input on the early proposal.	No formal report requested.
Higher Education/Leadership Formation	Reference group was formed. Executive Staff Group and school presidents have been doing the development work. Work is ongoing.	No formal report requested.
Listening/Reference Group	Reference group was formed. They were consulted and provided input early in the process.	No formal report requested.
