MINISTRY

In addition to the formal lines of governance as outlined in the by-laws and illustrated above, various other groups meet. **Communications Staff** of the Regional and Nationwide Churches meet online to ensure that messages are delivered; and **Ministerial Leadership Staff** communicate regularly to coordinate assistance to pastors.

1. The Joint Council is responsible for relationships with Mennonite World Conference, the Canadian Council of Churches, the Evangelical Fellowship of Canada and other inter-church relations, Mennonite Church USA, CCAL and other national Mennonite Churches.

2. Also meets with Regional Church Executive Ministers (forming the Executive Staff Group) to coordinate the activities of Regional Churches and the Nationwide Church.
