Welcome

I'm very pleased to welcome you to Gathering 2019, the first nationwide gathering of the five Regional Churches who comprise the new Mennonite Church Canada.

We are gather to **share** faith stories that ignite our imagination for the mission of the church; to **build** and strengthen the ministry and mission of the church locally, regionally, nationally, and internationally; to **nurture** faith and fellowship; and to **strengthen** a nationwide Anabaptist Mennonite identity.

The theme of Gathering 2019 is Igniting the Imagination of the Church. Many minds and hearts have been imagining this event over the past year. On behalf of the volunteers and staff involved, I pray that your Gathering experience will be a rich one.

Henry Paetkau
Interim Executive Minister
Mennonite Church Canada

Welcome from MCBC

Mennonite Church British Columbia welcomes the nationwide Mennonite Church to Gathering 2019 on the West Coast in Abbotsford, B.C.! We are grateful you are able to join us here on the unceded territories of the Stó:lō Nation.

We hope you experience a forward-looking freshness at this event. We hope you will meet familiar faces and engage in conversations with new people that lead to lasting relationships. The church continues to move into uncharted waters on this journey of change. May we navigate these waters well as the Spirit of God blows wind into our sails.

Garry Janzen
Executive Minister
Mennonite Church British Columbia

Tips for a good experience

Keep this Program Book with you. It has the schedule, maps, worship information, and other good things to guide you through your time at the Gathering. Selected sessions will be recorded and uploaded to the MC Canada YouTube channel. Our Regional Communicators will be sharing stories in their regional newsletters and on the MC Canada website shortly after our time together.

If you're lost and confused, need first aid, or are just looking for a friendly face, visit the registration table in the foyer of the ballroom or talk to one of our cheerful volunteers in a green vest.

Take this wonderful opportunity to get to know your sisters and brothers from other congregations. Learn the names of the people around you in the refreshment break line-up, or make some new friends over meals. We hope you leave with many new and renewed friendships!

In case of an emergency, people from home can contact you here by calling Heidi Epp, our Gathering 2019 Event Planner, at (604) 723-4040. For onsite emergencies, visit the registration table.

Her publications include *Five Means of Grace: Experience God's Love the Wesleyan Way* (2017), *The Mystic Way of Evangelism, Revised and Updated 2nd Edition* (2017), and *God Unbound: Wisdom from Galatians for the Anxious Church* (2016). Heath is an ordained elder in the United Methodist Church and served in pastoral ministry prior to her academic ministry. She lives with her husband at Spring Forest, an intentional Christian Community in rural North Carolina.

Leader:

God of covenant,
when Jesus came up from the waters of baptism,
you claimed him as your beloved one.
Through Jesus
you claim everyone who comes to you
as your beloved.

Baptized:

***We confess our faith in you today
as we did at baptism.***

***By your Spirit,
I will abide in your Word,
as wisdom for my life.***

***By your Spirit,
I will give and receive counsel,
in the circle of your church.***

***By your Spirit,
I will live without giving in to violence
and take risks for what is good.***

***By your Spirit,
I will share in your mission for the world
with courage and hope.***

***Strengthen us, God of love,
bind us together as your baptized people,
through Jesus Christ,
who lives and reigns with you and the Holy
Spirit,
one God, now and forever. Amen.***

Offering - International Witness

What is it like to lead a worship service among displaced people in Thailand? What is it like to walk into conflict zones in the Philippines to share the gospel's vision of peace? Many of us will never have the opportunity to witness these examples of our church's International Witness first hand. The offering today will be directed toward the development of a video resource that highlights the ministry of our International Witness workers. This resource may be used in small groups, Sunday school classes and in worship services. Please give generously to support the sharing of God's healing and hope in troubled places around the world.

Workshop descriptions

Being Jesus in Today's World - Colin and Judith McCartney

For many, the current post-Christendom reality is bad news but for followers of Jesus this reality presents exciting opportunities for kingdom work. During this workshop Colin and Judith McCartney, of Connect City Ministries in Toronto, discuss opportunities to do effective and innovative ministry within post-Christendom culture. This workshop is geared towards those interested in missional purpose, church planting, church revitalization, and/or urban ministry.

Beyond our Hopes and Expectations - Roberson Mbayamvula

Roberson Mbayamvula, pastor of Hagerman Mennonite Church, will present about creating a multi-functional worship space. Hagerman shares worship space with Markham Chinese and the Tamil Church (Markham Christian Worship Center) in Markham, Ontario. The church's partnership allows the groups to afford the costs of city property. This workshop is for those interested in church partnership or those struggling with practical issues of sharing church facilities.

Igniting the Imagination of the Church and Healthy Self-Care - April Yamasaki

Four Gifts author April Yamasaki presents on how we can ignite our imaginations but not burn out ourselves and others. Part of the answer lies in healthy self-care rooted in Jesus' great commandment to love God and love others as ourselves. This workshop explores a Christ-centered framework for self-care that embraces ministry with and for others, and draws us to rest in God's care, imaginations and all.

What excites me about this church - Dann Pantoja

MC Canada Witness worker Dann Pantoja will share field stories about the witness partnerships between MC Canada and ministries in the Philippines. He will speak on the inter-faith relational journey among Muslims and Indigenous Peoples; peacebuilding challenges in a growing dictatorial regime; inclusive development through coffee farming; and new perspectives on what it means to be a witness for Jesus in the twenty-first century.

TOURS & SPECIAL EVENTS

Finding Innovative Ways to talk about God and Spirituality - Troy Watson

Avon Mennonite Church Pastor Troy Watson will examine how some “post-Christians” and “spiritual but not religious” (SBNR) types are talking about God and spirituality. There will be discussions on how our conventional church language, metaphors and analogies, are barriers that hinder people from understanding the essence of Christ’s message and his way of peace. Expect to explore fresh and creative ways to talk about Christian faith essentials.

MCBC’s Engagement with New Leaf Network - Kevin Barkowsky and Darnell Barkman

MCBC Church Engagement Minister, Kevin Barkowsky, will present how MCBC is partnering with the New Leaf Network, a Canadian church-planting organization passionate about new initiatives, and learning how to become a more missional church.

Voices Together – MennoMedia and hymnal committee

Come learn about Voices Together, a new worship and song collection for Mennonite Church Canada and Mennonite Church USA. What are the ways Voices Together will be like and unlike hymnals that have come before? How will it reflect shifts in the church and in worship practices? How will it approach intercultural worship, contemporary worship music, and the language we use to name God and one another? Members of the Mennonite Worship and Song Committee will introduce the suite of resources available and talk about the aspirations, joys, and challenges of creating a new hymnal and worship book.

Encountering the Image of God: “What was I afraid of?” - Joon Park, Allen Harder, and Chris Lenshyn

Encountering the unfamiliar images of God in us and them is an experience that can provoke responses that may surprise/ scare/ shock us. Through the lens of the Dr Seuss classic “What am I scared of?” this interactive workshop will help develop an awareness for how barriers are constructed unintentionally by our assumptions. This workshop is a continuation of MCBC’s journey to understand the impact of power, privilege and prejudice as we embrace God’s image in those who are different.
